REPORT NO.

THIS DOCUMENT CONTAINS INFORMATION AFFECTING THE NATIONAL DEFENSE
OF THE UNITED STATES WITHIN THE MEANING OF THE ESPIONAGE ACT 50
U.S.C. § 793 AND 794, AS AMENDED. ITS TRANSMISSION OR THE REVELATION
OF ITS CONTENTS IN ANY MANNER TO AN UNAUTHORIZED PERSON IS PRO-
HIBITED BY LAW. REPRODUCTION OF THIS FORM IS PROHIBITED.

THIS IS UNEVALUATED INFORMATION

1. On 8 March 1951 the following units of the 24th Air Army were identified while flying:

One fighter regiment each at Alt-Lönnewitz, Zerbst, Neuruppin, Lärz, and Wittstock.

Two fighter regiments at Finow.

Two fighter regiments which have been stationed in the area of Peenemünde or Neubrandenburg.

Three other fighter regiments, which could not be identified, were observed in the area of northern fighter corps.*

2. On 9 March the following units were observed:

One fighter regiment each at Brandenburg, Lärz, Finow, Wittstock, and Parchin.

Two fighter regiments at Peenemünde.

Two unidentified ground-attack regiments.

3. On 10 March the following units were identified:

Two fighter regiments each at Zerbst and Finow.

One fighter regiment each at Neuruppin, Brandenburg, Lärz, and Parchin.

One reconnaissance regiment at Schönwalde.

4. Planes belonging to fighter regiments located at Zerbst, Grossenhain, and Brandis were observed on 10 March landing and taking off at an airfield in the vicinity of Finow. On this field a radio station was also observed, which is described as belonging to the "Soviet civilian air force".

* Comment: Of the twelve regiments here reported, ten are in the area of the northern fighter corps. There were previously nine; since there is no confirmed information on the arrival of a new regiment, it is possible that one of the identifications in para. 1 is a mistake.
